## **SUPPLEMENTAL DECLARATION OF MICHAEL E. DASH, JR.**

I, Michael E. Dash, Jr., based on a review of material following my November 16, 2016 Declaration, hereby supplement that Declaration to provide the following additional information regarding employees who participated, directly or indirectly, in the January 12, 2007 contest: Prior to planning of the contest, Tommy Godfrey (Promotions Assistant) obtained the Nintendo Wii that served as the contest's main prize. Prior to the day of the contest, at the direction of Robin Pechota Ray (Promotions Director), Mr. Godfrey scheduled Jessica Venegas and Elena Michel (part-time promotions employees) to work the contest, and arranged for releases for the contestants and left them on his desk where Ms. Venegas and Ms. Michel could get them on the day of the contest. Mr. Godfrey, who arrived at work after the contest had concluded, also posted photos of the contest on the Station's website later that morning. In addition, with respect to the statement in my November 16, 2016 Declaration that Matt Wheeler (Assistant Promotions Director, who had no involvement in the planning, execution, or approval of the contest) left Entercom's employment in December 2015, although that statement was accurate at the time, I note that after my Declaration, Mr. Wheeler was hired earlier this month to work at a different Entercom station in a different market.

I declare under penalty of perjury that, to the best of my personal knowledge and recollection, which includes knowledge based on information provided to me by others, the foregoing is true and correct.

Vice President, Deputy General Counsel and Assistant Secretary
